

DEBBEE'S DESIGNS LENDING LIBRARY

Models sell charts, but models take time. My models are sitting around when they could be selling charts for you. So, here's how the library works:

1. Select 2 or 3 models.
2. I send you the models, plus 3 charts for each model requested.
3. You keep the models for 3 to 4 weeks, then send them back with a check for the charts (invoice will be included with the initial shipment).
4. When I receive them back, you can request the next set of models.
5. I may ask you to send them to the next shop, but we will handle that by email at the time.

A few conditions:

Your account must be in good-standing (no overdue invoices).

The models must be returned by some trackable method—USPS, FedEx, UPS with tracking numbers.

You can request more charts, but must buy a minimum of 3 for each model.

Models must be returned in good condition, or you have to stitch the replacement!

Ready to sign up? Complete the form, click submit in the upper right corner, and the process starts!

Shop Name _____

Contact Person _____

Address _____

Phone _____ Fax _____

Email _____

Model 1 _____

Model 2 _____

Model 3 _____

Date of Request _____

Ship By Date _____

(allow 3 to 4 days for shipping, before you want the models in shop)

Return By Date _____

(4 weeks from ship by date, plus some transit time)

By completing and submitting this form, you agree to the conditions set forth above. Models will be loaned on a first request received basis. I will make every effort to honor your requests, and will work with you for alternate dates if necessary.
