Adagio

NEW FROM DEBBIE ROWLEY – DEBBEE'S DESIGNS

As we continue to stitch mainly at home, it's fun to have some new geometric designs to tempt your needle. Debbie Rowley has been busy creating intricate swirling patterns in a complex layout – perfect for the stitcher who enjoys a challenge. *Adagio* is our newest offering from this talented teacher.

Here are the details for *Adagio*:

Adagio is a medium-sized project -- the design size is 8" x 8" square on 18 ct. mono canvas. This project is recommended for more advanced stitchers and

intermediate stitchers who are very comfortable reading charts. Students will also have access to a number of videos (15+) that Debbie has created to help you navigate these complex stitches.

NEW FOR THIS CLASS: Debbie has offered to host several Zoom online meetings to help newer students navigate these more complex stitches. The Zoom sessions are not essential to the instructional information. They are meant to serve as an enhancement and enrichment. We will try this at several different times and days during the class period to try and make this accessible as possible.

Teaching objectives: to encourage stitchers to develop a natural stitching rhythm and get out of the stitch diagrams, to explore several complex and layered stitches with a

variety of textures. Debbie hopes to help you *really understand* the construction of the seemingly complicated stitches so you can predict where your needle should go rather than relying solely on the diagrams.

Adagio is a symmetrical design with complexity in every quadrant. The center features a Kitty's double fan doubled (a double fan doubled surrounded by an additional double fan doubled, giving an intricate knotted look to the stitch). Working out from the center are right angle sprat's heads, triangle Amadeus, four layered Jessicas over a ray stitch, interlocking Jessicas, and more fan stitches. There is lots of movement and intricacy in the design: a challenge for counted canvas stitchers.

Stitches used: Kitty's double fan doubled, layered Jessicas, interlocking Jessicas, triangle Amadeus, right angle sprats, plaited rays, pavilion diamonds, waffle, oblong criss cross rectangles, double herringbone, tied oblong crosses and diamond Rhodes.

Kit contents: 18 ct. mono canvas, DMC cotton floss, DMC #8 pearl cottons, Caron Collection Watercolours, Kreinik #4 and #8 braids, Rainbow Gallery Silk Lamé Braid and Neon Rays. Note that the kit is available only in Debbie's colorway. If you would like to change colors, you may order "instructions-only" and provide your own stitching supplies.
